HOW TO USE THIS DIRECTORY

The format of the 1983 Nevada Library Directory has been greatly changed from last year. The "Index of Library Personnel" has been replaced by the "Alphabetical Listing of Heads of Public, Academic, & Special Libraries."

We streamlined the list which you will find on page 10. We have included library directors and branch librarians, assistant directors and also key personnel for the Nevada State Library. They are listed alphabetically by last name with their title and name of library. We are no longer listing home addresses.

After much reflection, and due to printing costs, we reluctantly decided to eliminate the listing of school librarians. This information should be available through other channels.

If you will note, there are new additions in this issue. They are "Bookmobile Circulation," "Fee Schedule" and"Salary Schedule." These categories have been included because we have been receiving calls regarding this type of information. Bookmobile circulation is broken down by county. The "Fee Schedule" and"Salary Schedule" will not necessarily be printed on an annual basis.

PLEASE REPORT ALL CHANGES IN DIRECTORY INFORMATION to the Library Development Division, Nevada State Library, Capitol Complex, Carson City, NV 89710. A list of directory changes will be published periodically during the year in the DATELINE.

MISCELLANEOUS LISTS

THE QUICK REFERENCE LISTING OF SELECTED LIBRARIES is divided into two sections: CITY, COUNTY, DISTRICT AND COMMUNITY LIBRARIES and SELECTED ACADEMIC AND SPECIAL LIBRARIES. Libraries in each section are listed in alphabetical order by name of library.

NEVADA STATE ADVISORY COUNCIL ON LIBRARIES: lists council members with the expiration date of their terms.

1983 NEVADA LIBRARY ASSOCIATION OFFICERS: lists officers and chairpersons of districts, sections, interest groups and committees. The place and date of NLA's Annual Meeting is also included.

INDEX OF LIBRARY PERSONNEL is an alphabetical listing of all persons named in this directory and the name of the library where they work.

CHAIRMEN - BD. OF TRUSTEES, ADVISORY BOARDS, ETC.: lists all chairmen of library boards alphabetically by name of library.

FRIENDS OF THE LIBRARY ORGANIZATIONS: lists active groups with the names of their presidents.

DIRECTORY OF LIBRARIES

GENERAL: Libraries in each of the sections are listed alphabetically by the name of the city in which they are located. The listing for each library includes, where applicable, mailing address (and street address in parentheses, if different), telephone number(s), chairman of the board of trustees, hours and revenue.

CITY, COUNTY, DISTRICT AND COMMUNITY LIBRARIES (YELLOW): Branch libraries are listed immediately following the headquarters library. Cross references are made from the name of the library (if it is different from the name of the city in which it is located), from the names of branch libraries, and from the cities in which branch libraries are located.

ACADEMIC AND SPECIAL LIBRARIES (GOLDENROD): A list of libraries arranged alphabetically by name of library immediately precedes this section and refers the user to city under which the library is listed.

STATISTICAL SUMMARY (WHITE): Statistical information for public, academic, and the Nevada State Library is included for fiscal year 1981-82. See the introduction and footnotes of that section for further information.

NEVADA LIBRARY STATISTICS

STATISTICAL SUMMARY

EDITOR'S NOTE: NRS 378.080 (rev. 1971) states that one of the duties and responsibilities of the State Library is "To collect, compile and publish statistics and information concerning the operation of libraries in the state."

The following tables were compiled from report forms submitted by libraries to the Library Development Division of the Nevada State Library, modified by further consultation with librarians and other public officials, and from other sources as indicated in the footnotes.

Although library service does not consist only of circulating library materials, expenditures per item circulated has been used to reflect upon library efficiency, although statewide figures primarily show the impact of inflation on the cost of library operations. Circulations per volume may say something about how heavily the collections are used. While there are too many variable to produce useful figures for individual public libraries, the statewide figures are as follows:

	1979	1980	1981	1982
Circulations per volume:	2.9	3.2	3.1	2.9
Expenditures per circulation:	$1.68	$1.56	$1.75	$1.86

In all cases the year indicated in the SUMMARY (i.e. 1982) refers to the fiscal year (July 1 - June 30).
